

satisfying the family at every occasion

For more than 40 years, customers have trusted our *Hormel Cure 81* ham to deliver outstanding quality and a perfect occasion – every time. High production standards throughout the manufacturing process guarantee the quality of every ham. Whether it's a special family get together, a quick lunch, or a small dinner for two, there is a *Hormel Cure 81* ham that's just right for the occasion.

keeping brands strong

Our goal is to grow strong brands that consistently earn first or second market shares within their respective product categories. Today, 33 Hormel Foods brands, including the *SPAM* family of products, have achieved this status. We supported our core brands with a marketing investment of \$101 million in fiscal 2004.
